Daisy Mountain Fire Department (DMFD) is required by the Health Insurance Portability and Accountability Act (“HIPAA”) to maintain the privacy of your protected health information (“PHI”). We are also required by law to provide you with the attached detailed Notice of Privacy Practices (“Notice”) explaining our legal duties and privacy practices with respect to your PHI.

### **Uses and Disclosures for Treatment, Payment or Healthcare Operations**

DMFD may use or disclose your PHI *without* your authorization, for the following purposes:

#### ***Treatment***

We can use your PHI for treatment provided to you by us and other medical personnel (including doctors and nurses who give orders to allow us to provide treatment to you). For example, we may share PHI via radio or telephone to the hospital or dispatch center as well as provide the hospital with a copy of the record we create in the course of providing you with treatment and transport.

#### ***Payment***

We may use and disclose your PHI to get reimbursed for the services that we provide to you. This includes such things as submitting bills to insurance companies (either directly or through a third party billing company), managing billed claims and collecting outstanding accounts. We may also disclose PHI to another healthcare provider or entity for the payment activities of the provider or entity that receives the PHI (such as your hospital).

#### ***Healthcare Operations***

We may use or disclose your PHI for things such as quality assurance activities, licensing, and training programs to ensure that our personnel meet our standards of care and follow established policies and procedures, obtaining legal and financial services, conducting business planning, processing grievances and complaints.

#### ***Fundraising***

We may contact you when we are in the process of raising funds for DMFD, or to provide you with information about our annual subscription program. We may also share this information with another organization that may contact you to raise money on our behalf. If DMFD uses your PHI to conduct fundraising activities, you have the right to opt out of receiving such fundraising communications from DMFD by contacting us.
